

THE TRIPE CLUB OF VICTORIA

TO: The Hon. Tim Fischer AC

FROM: Dr Gerard N White, President - Tripe Club of Victoria

RE: Sir John Monash Presentation 21 April 2015

The Executive of the Tripe Club of Victoria wishes to formally thank you again for the extraordinary presentation and performance to our members and guests at the RACV City Club on Tuesday 21st of April 2015.

I write again on their behalf, astonished at the congratulations we continue to receive directly, but also through the RACV all over-awed by your presentation and the initiative to have Sir John Monash properly recognised. You have definitely struck an accord not only with our full membership but with members who are also associated with the RSL Clubs.

Certainly we collectively fully support your focused endeavour to have Sir John Monash posthumously promoted to Field Marshal, and we will be delighted to keep you informed of efforts made within our organisation and hope also that you will keep us informed in this regard.

Our website will record your presentation and list your preferred charity and there is always the opportunity to 'augment' the entry under your name in this regard. As you are aware, our website is now being accessed globally, regarding our upcoming events as well as past events.

We believe you agree with the way the Tripe Club of Victoria operates, and we hope that if you have any colleagues, or associates in mind, who you deem would benefit from association with our organisation, would you please refer them through our website, and contact with our Executive.

We are pleased to regard you as a member of the Tripe Club of Victoria, and value your contributions and association, and certainly hope to see you in the future.

Most sincerely,
Dr Gerard N White
President
Tripe Club of Victoria
